**Release: 1**

# Assessment Requirements for PSPREG046 Manage investigations

## Modification History

Supersedes and is not equivalent to PSPREG025 Manage investigations.

## Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and on at least one occasion:

- write preparatory documents, including:
  - investigation plans
  - tactical plans
  - resource bids
- manage budgetary, human and physical resources and their allocation and access in accordance with organisation policies and procedures
- review investigation outcomes
- complete post investigation procedures.

## Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- government and policy environments
- different types of criminal activity and their elements
- available resources which may need to be deployed to support investigations
- security issues and classifications
- all legislation, regulation, policies and procedures pertaining to the conduct of investigations within the officer's organisational environment
- investigation principles and case management systems, and contexts in which these can be applied
- court procedures and evidentiary requirements.

## Assessment Conditions

Skills must be demonstrated in the workplace or in a simulated environment that reflects workplace conditions.

Assessment must ensure access to:

- all applicable legislation, regulation, policy and procedures pertaining to the conduct of investigations within the officer's organisational environment .of the job role.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
