Assessment Requirements for PSPREV010

Identify and apply statute law

Release: 1

Assessment Requirements for PSPREV010 Identify and apply statute law

Modification History

Supersedes and is equivalent to PSPREV001 Identify and apply statute law.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and on at least one occasion:

- search for and identify applicable statute laws, rulings, precedents and commissioner practices
- communicate with others on matters involving exchanges of complex oral and written information
- use technology to access applicable statutes and record outcomes.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- law-making processes in Australia
- structure and components of acts of law
- primary and secondary sources of law
- principal rules governing the interpretation of statute law
- the doctrine of precedent
- purpose and use of interpretation acts
- abbreviations and commonly accepted practices used in citing statute law.

Assessment Conditions

Skills must be demonstrated in the workplace or in a simulated environment that reflects workplace conditions.

Assessment must ensure access to:

- legislation, regulations, rulings, commissioner practices and other applicable case law
- organisational procedures and protocols relating to the application of statute law
- information systems, equipment and resources of the working environment.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
