Assessment Requirements for PSPSEC007 Develop and advise on government security procedures

Release: 1

Assessment Requirements for PSPSEC007 Develop and advise on government security procedures

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least two occasions.

- applying legislation, regulations and policies relating to government security management
- communicating with a diverse range of stakeholders

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- legislation, regulations, policies, procedures and guidelines relating to government security management
- organisational policy, procedures and guidelines
- legislation relating to government operations, privacy, work health and safety
- Crimes Act 1914 and Criminal Code 1985
- the organisation's security plan

Assessment Conditions

Assessment of this unit requires a workplace environment or one that closely resembles normal work practice and replicates the range of conditions likely to be encountered when developing security procedures.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
