## Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least two occasions.

- applying legislation, regulations and policies relating to the coordination of protective security
- reading and analysing complex documents
- researching and critically analysing the operational environment and drawing conclusions
- using communication with diverse stakeholders involving listening, questioning, paraphrasing, clarifying and summarising, to provide advice and support
- writing reports and recommendations requiring formal language and structure

## Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

Operational knowledge of:

- public service Acts
- Crimes Act 1914 and Criminal Code 1985
- Freedom of Information Act 1982
- Privacy Act 1988
- fraud control policy
- protective security policy
- the organisation's functions, assets and security environment
- Australian standards, quality assurance and certification requirements

- AS/NZS ISO 31000:2009 risk management – principles and guidelines
- equal employment opportunity, equity and diversity principles
- public sector legislation, including WHS and environment, in the context of coordinating protective security

## Assessment Conditions

Assessment of this unit requires evidence gathered over time in a workplace environment or one that closely resembles normal work practice and replicates the diverse conditions likely to be encountered when coordinating protective security.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
