Assessment Requirements for PSPSEC015

Communicate security awareness

Release: 1

Assessment Requirements for PSPSEC015 Communicate security awareness

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least two occasions.

- designing security management activities
- developing and maintaining client relationships
- tailoring activity sessions to the needs of adult learners and a variety of audiences
- managing time effectively to plan and facilitate security management activities within existing resource and time constraints
- delivering oral presentations
- explaining complex concepts and formal documents, including legislation, standards and codes of conduct
- using communication styles to suit different audiences and purposes

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

Operational knowledge of:

- agency structure and core business activities
- security and how it relates to the specific functions and activities of the organisation, together with an understanding of ethical standards required by the organisation of its staff and contractors and suppliers
- national strategic objectives relating to government security management
- jurisdictional security requirements and strategic objectives

- cross-jurisdictional protocols
- international treaties and protocols
- the organisation's security risk management methodology
- security risk factors in the organisation
- identified instances of security breaches
- adult learning principles
- audience requirements
- anti-discrimination and diversity legislation
- legislation, policies and procedures relating to conduct of security management activities including WHS and environment

Assessment Conditions

Assessment of this unit requires evidence gathered over time in a workplace environment or one that closely resembles normal work practice and replicates the diverse conditions likely to be encountered when communicating security awareness.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
