Assessment Requirements for PSPSEC020

Conduct security awareness sessions

Release: 1

Assessment Requirements for PSPSEC020 Conduct security awareness sessions

Modification History

Supersedes and is equivalent to PSPSEC003 Conduct security awareness sessions.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and on at least two occasions:

- deliver a session on security awareness to explain complex concepts and formal documents, including legislation, standards and codes of conduct about government security management
- mentor staff with individual requirements to maximise security awareness
- design and contribute to awareness sessions delivered by specialists.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- legislation, regulations, policies, procedures and guidelines relating to government security management
- cross jurisdictional protocols
- organisational structure and core business
- organisational strategic objectives and processes related to security management
- national strategic objectives relating to government security management
- adult learning principles and audience requirements
- security constraints
- public sector values and codes of conduct
- anti-discrimination and inclusive work practice principles.

Assessment Conditions

Skills must be demonstrated in the workplace or in a simulated environment that reflects workplace conditions.

Assessment must ensure access to:

- legislation, regulations, policies, procedures and guidelines relating to government security management
- organisational strategic objectives and processes related to security management
- resources and equipment required of the working environment.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
