Application

This unit describes the skills required to manage personal professional performance and to take responsibility for own professional development. It requires knowledge of the translation and interpreting industry and relevant professional development opportunities.

The unit applies to established translators and interpreters seeking to enhance their career and professional development.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and codes and standards for ethical translating and interpreting adhered to.

Those undertaking this unit would work independently using support resources as required, while performing complex tasks in a range of contexts.

No licensing, legislative or certification requirements apply to unit at the time of publication.
