Assessment Requirements for PSPTIS100 Apply codes and standards to professional judgement

Release: 1

Assessment Requirements for PSPTIS100 Apply codes and standards to professional judgement

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified, the candidate must demonstrate evidence of performance of the following on at least two occasions.

- applying critical professional judgement to achieve constructive ethical and strategic work outcomes
- applying ethical codes and standards to practice, including in situations where there are:
 - potential conflicts of interest
 - conflict between client requirements and industry standards
 - tensions between personal and client or colleague values
 - differences in expectations caused by cultural influences
 - dilemmas caused by tensions between personal and professional standards of practice and values
- reflecting on practice and justifying judgements and decisions

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified, the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- industry standards of professional behaviour and presentation relating to practice
- policy, cultural, technological and economic trends impacting on translating and interpreting
- networks relevant to own professional practice
- professional techniques, strategies and responsibilities of translators and interpreters
- types and sources of professional resources

- ethical issues and their implications for professional judgement and decision making
- relevant professional codes of ethics and conduct

Assessment Conditions

Assessment of this unit of competency must include use of scenarios, case studies, experiences and examples of interactions with colleagues and clients that illustrate issues of professional judgements and ethical decision making.

Consideration must be given to holistic assessment for this unit. Refer to advice in the Companion Volumes.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
