Assessment Requirements for PSPTIS141

Interpret as part of a team

Release: 1

Assessment Requirements for PSPTIS141 Interpret as part of a team

Modification History

Not applicable.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and:

- provide interpreting services as part of a team on at least two occasions, including:
 - applying professional and industry standards for team interpreting
 - maintaining work health and safety standards
 - negotiating agreement on terms and conditions of assignment with team colleagues
 - collaborating with team members on research, agreeing on terminology and adjusting the work environment
 - switching with team colleague in a manner that does not interrupt communication
 - providing feedback during assignment to support colleague performance, as appropriate to the language being used
 - using constructive feedback in evaluation of team members' performance to identify future improvements to process and outcomes.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- professional techniques and protocols for team rotation
- communication techniques that facilitate interpreting process in a team
- team feedback and evaluation techniques
- limitations of work role, responsibility and professional abilities within team relationship and dynamics
- Work Health and Safety (WHS) and risk management principles and practices to ensure team physical safety and comfort
- research methods to collaboratively undertake intense assignment-specific preparation.

Assessment Conditions

Skills must be demonstrated in a workplace or simulated environment that reflects workplace conditions.

Assessment must ensure access to:

-
- case studies or examples of diverse team interpreting assignments and questioning in real or scenario settings.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
