Assessment Requirements for PSPTIS147 Read and analyse general purpose English texts to be translated

Release: 1

Assessment Requirements for PSPTIS147 Read and analyse general purpose English texts to be translated

Modification History

Not applicable.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and:

- read and analyse three general purpose texts in English, each from a different text type
- when selecting the above texts, use at least three different sources from the following list:
 - general informative and expository texts
 - news articles
 - routine correspondence
 - simple procedural texts
 - simple reports
- when performing the above text analysis:
 - identify key linguistic, cultural, societal and situational elements in English
 - sequence information appropriate to particular text types in English
 - analyse text and writing conventions applicable to English for meaning at least once each across the three texts being analysed, including:
 - acronyms and eponyms
 - cause and effect relationships
 - cohesive and substitution devices
 - function of words and grammatical elements
 - idioms and idiomatic expressions
 - metaphor and simile
 - punctuation
 - register and style
 - terminology and jargon.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- purpose and structure of different text types:
 - operative
 - expressive
 - other general informative and expository texts

- characteristics, structure and format of specific text types in English
- devices and techniques used to achieve objectives of specific text types in English
- language, style and register of specific text types applicable to English
- cultural knowledge to identify inherent cultural and socio-cultural concepts
- language structure, metaphors and idioms applicable to English
- techniques to parse sentences.

Assessment Conditions

Skills must be demonstrated in a workplace or simulated environment that reflects workplace conditions.

Assessment must ensure access to:

- samples of different text types in English:
 - news articles
 - routine correspondence
 - general informative and expository texts
 - simple procedural texts
 - simple reports
- text formats for sequencing information on different text types
- translation source and target texts, examples of research and glossaries, assignment experiences and examples of interactions with colleagues and clients that require diverse skills and strategies for analysing general purpose texts.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
