PSPWPI004 Improve compliance through industry partnerships

Release: 1

PSPWPI004 Improve compliance through industry partnerships

Modification History

Release	Comments
1	This unit was released in PSP Public Sector Training Package release 1.0 and meets the Standards for Training Packages. This unit supersedes and is equivalent to PSPWPI601B Improve compliance through industry partnerships. • Unit code updated • Content and formatting updated to comply with new standards • All PC transitioned from passive to active voice

Application

This unit describes the skills required to establish and maintain effective industry partnerships to improve workplace health and safety and/or workers compensation and/or injury management and/or workplace relations performance, to achieve legislative compliance and educate and to assist stakeholders to improve workplaces. It includes identifying industry partners, undertaking partnership activities, and monitoring and reviewing partnering activities.

This unit applies to those working to develop partnerships within industry to improve compliance with legislation.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to.

Those undertaking this unit would work independently performing complex tasks in a range of familiar contexts.

No licensing, legislative or certification requirements apply to unit at the time of publication.

Competency Field

Workplace inspection

Elements and Performance Criteria

ELEMENTS	PERFORMANCE CRITERIA
Elements describe the essential outcomes	Performance criteria describe the performance needed to demonstrate achievement of the element. Where bold italicised text is used, further information is detailed in the range of conditions section.
1. Identify industry partners	1.1 Evaluate options for industry partnerships in terms of likely effectiveness, and determine potential partners. 1.2 Establish communication with partner/s to explore viability of partnership. 1.3 Negotiate and establish the nature and duration of partnership. 1.4 Define and agree upon respective roles and activities of partnership.
2. Undertake partnership activities	2.1 Develop and agree upon a plan for cooperative partnering. 2.2 Develop and incorporate options and specific proposals for improving performance in workplace legislative compliance. 2.3 Implement options in accordance with partnering plan.
3. Monitor and review partnering activities	3.1 Evaluate effectiveness of partnering activities. 3.2 Use evaluation results to modify outcomes of joint activities. 3.3 Communicate value, effectiveness and outcomes of partnering arrangements to internal and external clients.

Foundation Skills

Foundation skills are embedded within the elements and performance criteria of this unit.
