Assessment Requirements for PSPWPI013

Manage emerging issues

Release: 1

Assessment Requirements for PSPWPI013 Manage emerging issues

Modification History

Supersedes and is equivalent to PSPWPI006 Manage emerging issues.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and on at least one occasion:

- conduct research and analysis to identify emerging issues
- review an evaluation plan and subsequent report and make recommendation for further action including communication to stakeholders.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- principal legislation applicable to inspector powers
- jurisdictional policies and procedures relating to workplace legislative compliance
- industry standards
- codes of practice
- evidence based decision making framework
- data sources that identify industry trends.

Assessment Conditions

Skills must be demonstrated in the workplace or in a simulated environment that reflects workplace conditions.

Assessment must ensure access to:

- principal legislation applicable to inspector powers
- jurisdictional policies and procedures relating to workplace legislative compliance
- resources and equipment of the working environment.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
