Release: 2

PSPSS00007 Prepare for Workplace Inspections Skill Set

Modification History

Not applicable.

Description

Not applicable.

Pathways Information

These units from PSP04 Public Sector Training Package provide credit towards PSP42210 Certificate IV in Government (Workplace Relations) and other public sector qualifications at Certificate IV level.

Licensing/Regulatory Information

Not applicable.

Skill Set Requirements

PSPGOV406B	Gather and analyse information
PSPGOV411A	Deal with conflict

Target Group

This skill set is for those with a relevant professional or vocational qualification or commensurate industry skills as evaluated through recognition of prior learning processes. It provides the skills and knowledge required to prepare to inspect workplaces and mitigate risk prior to commencing workplace inspections.

Suggested words for Statement of Attainment

These units meet industry requirements for those preparing to inspect workplaces, particularly where an inspection may not be welcome.
