- preparing and participating in judicial and quasi-judicial proceedings
- presenting evidence clearly and concisely
- taking notes accurately

Knowledge Evidence

Evidence required to demonstrate competence in this unit must be relevant to and satisfy all the requirements of the elements and performance criteria and includes knowledge of

- communication techniques
- court protocols and procedures
- documentation and exhibits requirements
- fire investigation standards
- organisational documentation, policies and procedures
- preparation, arrangements, roles and involvement in giving evidence at judicial or quasi-judicial settings
- rules of court, judicial and quasi-judicial tribunals
- types of documentation and exhibits
- types of witnesses
- Work, Health and Safety (WHS)/Occupational Health and Safety (OHS) organisational requirements including risk mitigation

Assessment Conditions

As a minimum, assessors must satisfy applicable regulatory requirements, which include requirements in the Standards for Registered Training Organisations current at the time of

assessment.

As a minimum, assessment must satisfy applicable regulatory requirements, which include requirements in the Standards for Registered Training Organisations current at the time of assessment.

Assessment processes and techniques must be appropriate to the language, literacy and numeracy requirements of the work being performed and the needs of the candidate.

Assessment must occur in workplace operational situations. Where this is not appropriate, assessment must occur in industry approved simulated workplace operational situations that reflect workplace conditions.

Resources for assessment must include access to

- a range of relevant exercises, case studies and/or simulations
- relevant and appropriate materials, equipment, tools and personal protective clothing and equipment currently used in industry
- applicable documentation including organisational procedures, industry standards, legislation, equipment specifications, regulations, codes of practice and operation manuals.
