PUASS00105 Conduct Recovery Liaison

Release 1

PUASS00105 Conduct Recovery Liaison

Modification History

Release 1. This is the first release of this Skill Set in the PUA Public Safety Training Package.

Description

This Skill Set provides the skills and knowledge required for personnel who perform as part of a recovery team within an emergency management environment.

It includes performing a liaison role between an organisation managing emergency response and/or recovery and another organisation providing services or assistance in those efforts.

It involves establishing the purpose and priorities of the managing and supporting organisations, the amount of decision-making authority delegated (if any), and communication channels and reporting requirements.

Pathways Information

This Skill Set is part of the PUA Public Safety Training Package.

This Skill Set can be a standalone outcome, or the units may be included in a qualification as an elective option.

The units of competency in this Skill Set can contribute to the completion of relevant Certificate IV, Diploma and Advanced Diploma qualifications from the PUA Public Safety Training Package.

Licensing/Regulatory Information

Not applicable.

Skill Set Requirements

A total of **1 unit of competency** must be attained.

PUAOPE029 Conduct liaison during emergency events

Target Group
