Assessment Requirements for RGRHBR401 Maintain horse stud records

Release: 1

Assessment Requirements for RGRHBR401 Maintain horse stud records

Modification History

Release	Comments
Release 1	This version released with RGR Racing and Breeding Training Package Version 3.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has:

- assisted with preparing nominations for at least three horses for sale, bonus scheme and/or exhibition
- obtained or prepared information, records and/or registrations for two external bodies as instructed
- maintained accurate routine stud records relevant to own role
- identified and recorded arrival and departure of at least three horses
- entered information and data into workplace systems.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- nature of stud business in which the individual works
- processes and protocols of the stud business in which the individual works
- types of records and record keeping system used by the horse stud
- requirements and procedures laid down by the relevant breed societies or the keeper of the relevant stud book
- legislative requirements and workplace procedures and instructions relevant to role for:
 - animal health and welfare
 - biosecurity
 - workplace health and safety.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
 - a workplace or an environment that accurately represents workplace conditions
- specifications:
 - for stud records
 - application or entry forms for exhibitions, bonus schemes or sales.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
