Assessment Requirements for RGRROP301 Perform ear branding and marking up of greyhounds

Release: 1

Assessment Requirements for RGRROP301 Perform ear branding and marking up of greyhounds

Modification History

Release	Comments
Release 1	This version released with RGR Racing and Breeding Training Package Version 2.0.

Performance Evidence

An individual demonstrating competency in this unit must satisfy all of the elements and performance criteria of this unit. There must be evidence that the individual has performed ear branding and marking up on at least three greyhounds, including for each:

- verified the identity and reviewed relevant greyhound documentation
- prepared ear branding equipment
- used safe, effective and efficient techniques and humane handling procedures to carry out ear branding
- completed required documentation according to racing industry standards.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- greyhound features used for identification
- relevant rules of racing and animal registration requirements
- procedures for completing workplace documentation related to greyhound identification and registration
- types of ear branding equipment and relevant operating procedures
- racing industry animal welfare requirements relating to ear branding
- racing industry safety requirements, including:
 - safe operating procedures and workplace health and safety
 - safe greyhound handling techniques
 - awareness of common greyhound behaviour during ear branding
 - first aid procedures relating to ear branding.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
 - safe handling areas, such as commercial kennels, training and racetracks
- resources, equipment and materials:
 - a variety of greyhounds
 - materials and branding equipment relevant to assessing individual's ability to perform ear branding and marking up procedures
- specifications:
 - work instructions and related documentation.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
