Assessment Requirements for RGRROP307

Perform duties of lure driver at race meetings and trials

Release: 1

Assessment Requirements for RGRROP307 Perform duties of lure driver at race meetings and trials

Modification History

Release	Comments
Release 1	This version released with RGR Racing and Breeding Training Package Version 2.0.

Performance Evidence

An individual demonstrating competency in this unit must satisfy all of the elements and performance criteria of this unit. There must be evidence that the individual has performed duties of lure driver at a minimum of three race meetings or trials, including for each:

- prepared for race meeting according to procedures, checking:
 - race fields and distances
 - lure operation
- operated the lure safely and effectively during a race meeting
- checked, shut down and reported maintenance required for lure at end of the race meeting
- complied with the relevant rules of racing, procedures and instructions for driving a lure at race meetings or trials.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- rules of racing in relation to conduct of races or trials, operation of lures, and greyhound welfare
- lure equipment and operation procedures, including:
 - pre-start checks
 - shut down
 - emergency stop
 - maintenance
 - race day and trial procedures
- hazards associated with lure operation, and controls to minimise risk
- safe and appropriate race distances and individual track and catching pen characteristics
- racing industry and work health and safety requirements, including:
 - safe operating procedures
 - operating machinery

- working in confined spaces
- noise, emissions and environmental requirements
- greyhound racing industry animal welfare principles and guidelines
- greyhound behaviour relating to chasing prey or lure and racing with others
- race day communication protocols and procedures, including:
 - reporting lines
 - requirements for reporting for incidents, irregularities and problems
 - interactions with stewards, club officials and licensed personnel
 - written and verbal report formats.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
 - safe handling and lure operation facilities, such as training and racetracks and a variety of greyhound fields
- resources, equipment and materials:
 - materials and equipment relevant to assessing individual's ability to perform lure driver duties
 - lure and lure equipment
- specifications:
 - work instructions and related documentation.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
