Assessment Requirements for RGRROP309 Perform duties of catching pen supervisor

Release: 1

Assessment Requirements for RGRROP309 Perform duties of catching pen supervisor

Modification History

Release	Comments
Release 1	This version released with RGR Racing and Breeding Training Package Version 2.0.

Performance Evidence

An individual demonstrating competency in this unit must satisfy all of the elements and performance criteria of this unit. There must be evidence that, on at least three occasions at a race meeting or trial, the individual has:

- complied with safety and animal welfare requirements and procedures and rules of racing that apply to supervising catching pen operations
- checked the field size and distance, organised the catching pen equipment and informed associated personnel of protocols
- operated catching pens and supervised catching pen operations at the conclusion of a race
- reported incidents to stewards according to racing procedures.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- race day and trial catching pen operations and procedures
- communication procedures within the kennel, and with licensed personnel, stewards and race officials
- racing industry safety requirements, including:
 - potential hazards in catching area
 - strategies to minimise risk
 - safe operating procedures
 - first aid procedures for humans and greyhounds
- features and characteristics of greyhounds specific to catching after a race
- types of props used to attract greyhounds to catching area
- rules of racing, protocols and procedures related to catching pen operations and animal welfare requirements
- reporting procedures and incidents that warrant reporting.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
 - safe handling and catching pen areas at training and racetracks
- resources, equipment and materials:
 - a variety of greyhounds at different stages of race preparation
 - materials and equipment relevant to assessing individual's ability to supervise catching pen operations
- specifications:
 - work instructions and related documentation
- relationships:
 - access to catching pen staff.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
