Release 1

RGRSS00059 Greyhound On-track Veterinarian Skill Set

Modification History

Release	Comments
Release 1	This version released with RGR Racing and Breeding Training Package Version 2.0.

Description

This skill set reflects the knowledge and skills required by registered veterinarians on duty at tracks during greyhound race meetings where they are required to work closely with stewards to ensure the welfare of racing greyhounds and efficient running of race meetings.

Pathways Information

These units of competency provide specialist skills relating to racing greyhounds and race meetings required by registered veterinarians to work on-track.

Licensing/Regulatory Information

Licensing, legislative, regulatory or certification requirements apply to this skill set but vary in each state/territory jurisdiction. Users are advised to check with the relevant Controlling Body or Principal Racing Authority for current requirements.

Skill Set Requirements

- RGRPSG401 Relate anatomical and physiological features to the care and treatment of greyhounds
- RGRROP404 Perform duties of veterinarian at race meetings or trials
- RGRROP405 Conduct veterinarian supervision of sample collection procedures

Target Group

This skill set is for registered veterinarians who work on-track at greyhound race meetings.

Suggested words for Statement of Attainment

These competencies from the *RGR Racing and Breeding Training Package* meet industry requirements for those working as an on-track veterinarian in the greyhound racing code.
