## RGRSS00006 Greyhound Training Operations Skill Set

### Modification History

| Release | TP Version | Comments        |
|---------|------------|-----------------|
| 1       | RGR08      | Initial release |

### Description

Not applicable.

### Pathways Information

These units provide credit towards RGR40408 Certificate IV in Racing (Greyhound Trainer).

### Licensing/Regulatory Information

Check with your State Principal Racing Authority for current license or registration requirements for this Skill Set.

### Skill Set Requirements

Complete six (6) units of competency.

| Unit Code  | Unit Title                                                           |
|------------|----------------------------------------------------------------------|
| RGRCMN001A | Comply with the rules of racing and related protocols                |
| RGRCMN401A | Maintain and monitor OHS procedures and environmental work practices |
| RGRPSG304A | Participate in greyhound inquiries and appeals                       |
| RGRPSG402A | Manage greyhound health and welfare                                  |
| RGRPSG404A | Trial and race greyhounds                                            |
| RGRPSG405A | Operate a greyhound racing training business                         |

## Target Group

Those wishing to meet industry licensing requirements to be able to race greyhounds in industry regulated competitions.

## Suggested words for Statement of Attainment

These competencies from the RGR08 Racing Training Package meet industry requirements to be licensed as a greyhound trainer in the greyhound racing code, subject to State Principal Racing Authority requirements.

## Entry Requirements

Before undertaking this Skill Set candidates will be able to demonstrate extensive industry-relevant experience in the care, welfare and management of racing greyhounds and must be able to demonstrate that they have the appropriate skills and knowledge commensurate with RGR20208 Certificate II in Racing (Kennelhand).

## Additional Advice

There may be additional units necessary to comply with specific State Principal Racing Authority licensing requirements. When additional units are required they are recognised as a separate Statement of Attainment. Suggested additional units are listed below.

| Unit Code  | Unit Title                                                                           |
|------------|--------------------------------------------------------------------------------------|
| RGRPSG303A | Determine nutritional requirements for racing greyhounds                             |
| RGRPSG401A | Relate anatomical and physiological features to the care and treatment of greyhounds |
| RGRPSG403A | Plan and implement education and training of greyhounds for racing                   |
