RII50920 Diploma of Underground Coal Mining Management

Release 2

RII50920 Diploma of Underground Coal Mining Management

Modification History

Release	Comments
Release 2	This version was released with RII Resources and Infrastructure Training Package version 7.0. Version created to fix typographical and/or unit grid errors.
Release 1	This version first released with RII Resources and Infrastructure Industry Training Package Version 5.0. Minor change to add the following unit of competency to the elective list: • RIIMPO501D Implement, monitor, rectify and report on mobile plant and equipment systems.

Qualification Description

This qualification reflects the role of individuals, including undermanagers or shift supervisors, working in underground coal mines, who perform tasks involving a high level of autonomy and are required to apply significant judgement in planning and determining the selection of equipment, roles, and methods for themselves and others. They are responsible for planning, implementing and coordinating safety and health management plans and instructing on and verifying workplace safety and health related requirements across the shift.

Licensing/Regulatory Information

Licensing, legislative and certification requirements that apply to this qualification can vary between states, territories, and industry sectors. Users must check requirements with relevant body before applying the qualification.

Entry Requirements

Nil

Packaging Rules

Total number of units = 12

9 core units plus

3 elective units of which:

• one (1) must be chosen from Group A
• at least one (1) must be chosen from Group B

　　　　　　　　　　　　　　　　　PwC's Skills for Australia

- no more than one (1) may be chosen from Group C
- no more than one (1) may be chosen from elsewhere within this training package, or from another endorsed training package, or from an accredited course.

All elective units selected from outside this qualification must reflect current occupational and learning outcomes of this AQF qualification level.

There are no prerequisites to imported units listed in this qualification. Where a unit is imported as an elective, care must be taken to ensure that all prerequisites specified are complied with.

Core units of competency	
Unit code	*Unit title*
RIIERR501E	Implement underground coal mine emergency preparedness and response systems
RIIMCU501E	Implement the spontaneous combustion management plan
RIIMCU502E	Implement the gas management plan
RIIMCU505E	Implement the inrush management plan
RIIMCU506E	Implement the strata management plan
RIIRAI501D	Implement mine transport systems and production equipment
RIIRAI503D	Implement site services and infrastructure systems
RIIRIS402E	Carry out the risk management process
RIIUND501E	Implement the ventilation management plan
Electives	
Group A	
Unit code	*Unit title*
RIIBLA302E	Conduct shotfiring operations in underground coal mines
RIIBLA202F	Support underground shotfiring operations
Group B	
Unit code	*Unit title*
BSBWHS401	Implement and monitor WHS policies, procedures and programs to meet legislative requirements
RIIMCU503D	Implement the gas drainage management plan
RIIMCU504D	Implement the outburst management plan
RIIMPO501D	Implement, monitor, rectify and report on mobile plant and equipment systems

RIIPRM501E	Implement, monitor, rectify and report on contracts
RIIRAI506D	Implement, monitor, rectify and report on inventory control system
RIIUND603D	Manage, operate and maintain the mine ventilation system

Group C

Unit code	Unit title
BSBFIM501	Manage budgets and financial plans
BSBINN502	Build and sustain an innovative work environment
BSBLED501	Develop a workplace learning environment
BSBMGT516	Facilitate continuous improvement
BSBMGT517	Manage operational plan
BSBSMB402	Plan small business finances
BSBWOR501	Manage personal work priorities and professional development
BSBWOR502	Lead and manage team effectiveness
RIICOM301E	Communicate information
RIIGOV401E	Apply, monitor and report on compliance systems
RIILAT402E	Provide leadership in the supervision of diverse work teams
RIIRIS403E	Manage and coordinate spill response
RIIWHS301E	Conduct safety and health investigations

Qualification Mapping Information

Supersedes and is equivalent to RII50915 Diploma of Underground Coal Mining Management.
