# RIISS00134 Surface Mine Safety Skill Set

## Modification History

| Release | Comments                                                                                                      |
|---------|---------------------------------------------------------------------------------------------------------------|
| 1       | This skill set was first released in RII Resources and Infrastructure Industry Training Package Release 11.0. |

## Description

This skill set addresses the skills and knowledge to work safely in surface mining operations.

## Pathways Information

The units provide credit towards a RII20120 Certificate II in Resources and Infrastructure Work Preparation qualification and other qualifications that allow for selection of these units.

## Licensing/Regulatory Information

Licensing, legislative, regulatory and certification requirements that apply to this skill set can vary between states, territories, and industry sectors. Relevant information must be sourced prior to application of the skill set.

## Skill Set Requirements

| Code       | Title                                              |
|------------|----------------------------------------------------|
| HLTAID011  | Provide First Aid                                  |
| RIICOM201E | Communicate in the workplace                       |
| RIIERR302E | Respond to local emergencies and incidents         |
| RIIGOV201E | Comply with site work processes/procedures         |
| RIIRIS201E | Conduct local risk control                         |
| RIIWHS201E | Work safely and follow WHS policies and procedures |

## Pre-requisite Requirements

There are no prerequisite requirements for this skillset.

## Target Group

This skill set is for individuals who work in a surface mine context, and who work under direct supervision in operational roles.

## Skill Set Mapping Information

| Previous Code and Title                       | Equivalence |
|-----------------------------------------------|-------------|
| RIISS00034 Surface Coal Mine Safety Skill Set | Equivalent  |

## Suggested Words for Statement of Attainment

These units of competency from the Resources and Infrastructure Industry (RII) Training Package meet industry requirements for working in surface mines.
