RIIWHS203D Maintain amenities

Release: 4

RIIWHS203D Maintain amenities

Modification History

Release	Comments
1	This unit replaces RIIOHS203A Maintain amenities.
2	Formatting corrections.
3	Inserted Application information.
4	Required frequency and volume of evidence amended in Performance evidence. Substantial amendments made in Assessment Conditions field, including: references to Industry Sectors, assessor and subject matter expert experience requirements, how assessment should be conducted and what it should confirm.

Application

This unit describes a participant's skills and knowledge required to maintain amenities in the Resources and Infrastructure Industries.

This unit is applicable for those working in operational roles.

Licensing, legislative, regulatory and certification requirements that apply to this unit can vary between states, territories, and Industry sectors. Relevant information must be sourced prior to application of the unit.

Note: The terms Occupational Health and Safety (OHS) and Work Health and Safety (WHS) are equivalent and generally either can be used in the workplace. In jurisdictions where the National Model WHS Legislation has not been implemented RTOs are advised to contextualise the unit of competency by referring to the existing State/Territory OHS legislative requirements.

Elements and Performance Criteria

1 Plan and prepare for work	1.1 Access, interpret and apply amenities documentation and ensure the work activity is compliant 1.2 Obtain, interpret, clarify and confirm work requirements before proceeding 1.3 Obtain and prepare materials and resources
2 Provide amenities services	2.1 Establish and monitor a safe work environment 2.2 Administer service contracts

	2.3 Clean and maintain amenities
	2.4 Maintain amenities equipment and cleaning accessories
	2.5 Maintain security of amenities, equipment and accessories correctly
