Assessment Requirements for SFIAQU217 Feed stock

Release: 1

Assessment Requirements for SFIAQU217 Feed stock

Modification History

Release	Comments
Release 1	This version released with SFI Seafood Industry Training Package Version 2.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has conducted stock feeding activities for aquaculture on at least one occasion, including:

- communicated and reported on feeding activities with supervisor
- prepared and loaded to feed by hand or prepared to use manual, mechanical and/or automated feeding equipment with correct quantity of feed
- used the appropriate feeding techniques for stock
- completed accurate records on stock and feeding observations
- cleaned up work area.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- feeding techniques:
 - remote feeding
 - by hand
- basic characteristics of normal and abnormal stock feeding behaviour
- effects of water and environmental conditions on stock feeding behaviour
- feeding equipment or technology types, handling requirements and operating methods
- storage requirements to maintain quality of feed
- types and quantities of feed required for workplace stock
- health and safety practices and biosecurity measures used when feeding stock.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:
 - skills must be demonstrated in an aquaculture workplace setting or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - feeding equipment appropriate for stock and workplace
 - stock to feed
 - feed for stock
- specifications:
 - feeding schedule and workplace procedures for feeding stock
- relationship:
 - supervisor.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
