Assessment Requirements for SFICPL304 Support the judicial process

Release: 1

Assessment Requirements for SFICPL304 Support the judicial process

Modification History

Release	Comments
Release 1	This version released with SFI Seafood Industry Training Package Version 1.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has developed a brief of evidence for at least one court proceeding, including:

- liaising with witnesses, prosecution authority and court personnel
- presenting evidence at the proceeding in a clear and concise manner
- following up on post-proceeding matters.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- agency policies and procedures relating to preparation of documents and evidence, and providing expert opinion
- different judicial and quasi-judicial systems at which fisheries compliance matters are heard or prosecuted, and their procedures and protocols
- general principles of criminal liability
- relevant law, including the rules of evidence and continuity of evidence, policy and procedures
- role of legal personnel in judicial and quasi-judicial systems
- types of evidence admissible in judicial and quasi-judicial systems
- use of notes in courts, tribunals or commissions
- witness summons and preparation process and procedures according to jurisdictional law
- post-court procedures, including reporting outcomes of the proceedings.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
 - skills must be demonstrated in a courtroom and legal setting or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - case materials, witnesses, and judicial forms
- specifications:
 - access to judicial guidelines, court protocols and procedures, including witness protection
- relationships:
 - evidence of interactions with witnesses and legal personnel.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
