Assessment Requirements for SFICPL405 Perform post-surveillance duties

Release: 1

Assessment Requirements for SFICPL405 Perform post-surveillance duties

Modification History

Release	Comments
Release 1	This version released with SFI Seafood Industry Training Package Version 1.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has carried out post-surveillance duties for at least one surveillance operation, including:

- securely storing and maintaining equipment
- finalising running sheets based on an analysis of gathered information
- labelling and storing evidence in preparing the surveillance product
- preparing briefs and communicating observations and analysis results to others.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- jurisdictional policies, procedures and laws relating to surveillance operations and evidentiary requirements
- maintenance, storage and security of surveillance equipment
- surveillance products and components
- post-surveillance reporting procedures.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
 - skills must be demonstrated in a post-surveillance setting or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - exhibits

- surveillance equipment requiring maintenance, including manufacturer operating instructions
- specifications:
 - access to jurisdictional policies and procedures and legislation related to surveillance operations and evidence
 - surveillance plan
 - scheduled maintenance program for surveillance equipment
 - running sheets
- relationships:
 - evidence of interactions with surveillance work team.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
