Assessment Requirements for SFICRO306 Work safely in crocodile habitats

Release: 1

Assessment Requirements for SFICRO306 Work safely in crocodile habitats

Modification History

Release	Comments
Release 1	This version released with SFI Seafood Industry Training Package Version 2.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has followed safe crocodile habitat procedures on at least two occasions.

In doing the above, there must also be evidence that the individual has:

- identified the differences in crocodile species
- treated crocodiles humanely
- adhered to all crocodile risk and safety standards and notices
- observed legislation and regulations associated with crocodiles
- complied with biosecurity guidelines.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- the existence of different ‘crocodilian’ species, including:
 - Indo-Pacific/estuarine/saltwater crocodiles – *Crocodylus porosus*
 - freshwater crocodiles – *Crocodylus johnstoni*
- the characteristics of saltwater crocodiles and freshwater crocodiles
- crocodile behavioural patterns
- key drivers that affect crocodile behaviour
- use of communication equipment
- culturally sensitive communication protocol
- state and territory legislation, regulations and codes of practice associated with crocodile habitats and crocodile welfare and activity
- environmental biosecurity guidelines
- crocodile habitat safety procedures.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:
 - skills must be demonstrated in an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - access to crocodile habitats
- specifications:
 - crocodile safety material.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
