Assessment Requirements for SFIPRO301 Monitor hygiene and sanitation requirements

Release: 1

Assessment Requirements for SFIPRO301 Monitor hygiene and sanitation requirements

Modification History

Release	Comments
Release 1	This version released with SFI Seafood Industry Training Package Version 1.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has monitored workplace hygiene and sanitation requirements on at least one occasion, including:

- communicating hygiene and sanitation requirements
- inspecting hygiene and sanitation practices to ensure compliance with workplace and regulatory requirements
- reporting on non-compliance
- providing solutions for hygiene and sanitation problems.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- regulatory and workplace hygiene and sanitation requirements
- regulatory and commercial implications of inadequate control of hygiene and sanitation
- employer and employee responsibilities and obligations regarding hygiene and sanitation
- purpose of hygiene and sanitation monitoring relevant to seafood processing
- workplace procedures to conduct a hygiene and sanitation investigation
- practices used to eliminate contamination.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
 - skills must be demonstrated in seafood processing, wholesale or retail workplace or an environment that accurately represents workplace conditions
- resources, equipment and materials:

- resources on hygiene and sanitation control
- hygiene and sanitation monitoring recording system
- specifications:
 - workplace procedures for workplace hygiene and sanitation control
- relationships:
 - evidence of interactions with other workers.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
