Qualification Description

This qualification reflects the role of floristry assistants who use a defined and limited range of basic floristry technical skills to assemble fundamental floristry products to pre-determined designs and job specifications. These individuals are involved in mainly routine and repetitive tasks using limited practical skills and basic floristry industry knowledge. They work under direct supervision.

This qualification provides a pathway to work as a floristry assistant in a diversity of floristry industry business types including retail floristry shops, studios and online floristry businesses.
