## SHB40216 Certificate IV in Hairdressing

### Modification History

Not applicable.

### Qualification Description

This qualification reflects the role of skilled senior hairdressers who use a range of highly developed sales, consultation and technical skills and knowledge to provide a broad range of hairdressing services to clients. These senior hairdressers provide specialist services in one or more areas including haircutting, design, colouring and complex colour correction, trichology and chemical reformation. They work independently and many hairdressers at this level provide technical leadership, training and support to team members

This qualification provides a pathway to work as a senior hairdresser in a salon environment, a freelance session stylist or a technical advisor in product companies.

No occupational licensing, certification or specific legislative requirements apply to this qualification at the time of publication.

### Entry Requirements

Entry to this qualification is open to individuals who have:

1. achieved a Certificate III in Hairdressing (or equivalent); **and**
2. at least one year post-qualification full time employment experience as a hairdresser in a salon environment where they have applied the skills and knowledge covered in the above (or equivalent) qualification.
