SHBBMUP008 Apply eyelash extensions

Release: 1

SHBBMUP008 Apply eyelash extensions

Modification History

Supersedes and is not equivalent to SHBBMUP001 Apply eyelash extensions.

Application

This unit describes the performance outcomes, skills and knowledge required to apply eyelash extensions for added length and thickness of natural lashes to meet client needs.

It requires the ability to consult with clients, select suitable products and equipment to apply, infill, and remove damaged eyelash extensions. Applying eyelash extensions can be an individual service or form part of a series of services.

This unit applies to beauticians, beauty therapists, retail assistants, and make-up freelancers who work in beauty salons, retail cosmetic outlets, and settings that provide make-up services. In this environment they make routine service decisions within a defined range.

The skills in this unit must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
