Release: 1

SHBBNLS010 Apply nail art

Modification History

Supersedes and is not equivalent to SHBBNLS004 Apply nail art.

Application

This unit describes the performance outcomes, skills and knowledge required to apply a range of nail art designs.

It requires the ability to consult with clients, select suitable products and techniques, and apply hand painted designs, decals, or jewellery for finger or toe nails. The nail art service can be an individual service or form part of a series of services.

This unit applies to nail technicians and beauticians and beauty therapist in beauty and nail salons. In this environment they make routine service decisions within a defined range and have knowledge and skills of a variety of nail art products and application techniques.

The skills in this unit must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
