SIF40125 Certificate IV in Funeral Services

SIF40125 Certificate IV in Funeral Services

Modification History

Release	Comments
1	This qualification was first released in SIF Funeral Services Release 3.0.

Qualification Description

This qualification reflects the role of individuals who perform a broad range of specialised activities and functions in relation to a funeral home, cemetery or crematorium.

These individuals work autonomously, with responsibility for own outputs and those of others in a team.

These individuals, depending on their expertise, may work in:

- funeral homes, as a funeral director responsible for all aspects of the conduct of funerals and the coordination and supervision of their team
- cemeteries or crematorium, managing burials, burial works and cremation services or managing grounds and maintenance works and activities.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

This qualification has no entry requirements.

Packaging Rules

14 units must be completed:

- **5 core units**
- **9 elective units** comprised of:
 - a minimum of 5 elective units must be selected from the elective units listed below

- a maximum of 4 elective units, first packaged at AQF level 3, 4 or 5 may be selected from elsewhere in SIF Funeral Services Training Package, or any other current Training Package or accredited course. Refer to the AQF packaging of Funeral Services units in the Companion Volume Implementation Guide.

In all cases, selection of electives must be guided by the job outcome, local industry requirements and the characteristics of this qualification (as per the AQF descriptors).
