**Release 1**

# SIS10122 Certificate I in Sport and Recreation

## Modification History

Not applicable.

## Qualification Description

This is a preparatory qualification which allows individuals to develop basic functional knowledge and skills to prepare for work in the sport and recreation industry. The range of technical knowledge and skills is limited.

The combined skills and knowledge do not provide for a job outcome in the sport, fitness and recreation industry, and this qualification is intended to prepare individuals for further training.

The skills in this qualification must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this qualification at the time of publication.

## Entry Requirements
