SIS40421 Certificate IV in Sport Development

Release 1

SIS40421 Certificate IV in Sport Development

Modification History

Supersedes and is equivalent to SIS40419 Certificate IV in Sport Development.

Qualification Description

This qualification reflects the role of individuals who apply the skills and knowledge to pursue a career in sport development. Functions for someone with this qualification can include liaising with stakeholder groups to increase the profile of sport, implementing and administering community sports programs, recruiting volunteers and participants and organising sport events.

This qualification provides a pathway to work as sport development officers and coordinators working in community based sport organisations and clubs in the Australian sports industry. Individuals with this qualification possess a range of highly developed communication skills with sound sport industry knowledge. They work with independence, taking responsibility for their own functions and outputs.

The skills in this qualification must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this qualification at the time of publication.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

14 units must be completed:

- 8 core units
- 6 elective units, consisting of:
 - at least 4 units from the electives below
 - up to 2 elective unit can be selected from elsewhere in the SIS Training Package, or from any other current Training Package or accredited course.

The selection of electives must be guided by the job outcome sought, local industry requirements and the complexity of skills appropriate to the AQF level of this qualification.
