SIS50419 Diploma of Outdoor Leadership

Release: 1

SIS50419 Diploma of Outdoor Leadership

Modification History

Not applicable.

Qualification Description

This qualification reflects the role of highly skilled senior leaders or program, logistics and operations managers.

Senior leaders lead and supervise dependent participants in recreational activities and have a role in planning these activities. They are highly proficient in activity techniques and have well-developed leadership skills to manage group participation, cohesion, operational logistics, risk and significant problems as they arise.

Managers are involved in recreational program planning, implementation and evaluation, facility and equipment management, the leadership of personnel, and the operational management of a department or a small business.

All work with significant autonomy, using initiative and judgement to analyse and solve complex problems, and to design systematic approaches to operational practices.

This qualification provides pathway to work for any type of organisation that delivers outdoor recreation activities including commercial, not-for-profit and government organisations.

No occupational licensing, certification or specific legislative requirements apply to this qualification at the time of publication.

^ From 1 July 2022 the elective unit HLTAID003 must no longer be delivered and will be replaced in the Packaging Rules by the unit HLTAID011 - for more information see: <https://asqa.gov.au/news-events/news/reminder-about-superseded-hlt-first-aid-units>

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

28 units must be completed:

- 13 core units
- 15 elective units, consisting of:
 - all the units in any two Groups A to AE
 - the remaining elective units can be selected from Groups A to AE, Group AF, elsewhere in the SIS Training Package, or from any other current training package or accredited course.

The selection of electives must be guided by the job outcome sought, local industry requirements and the complexity of skills appropriate to the AQF level of this qualification.

Electives which appear in *italics* have prerequisite units of competency, which are also listed within their appropriate group.
