SISSAFL002 Participate in Australian football at an advanced level

Release: 1

SISSAFL002 Participate in Australian football at an advanced level

Modification History

Not applicable.

Application

This unit describes the performance outcomes, skills and knowledge required to perform tactical and technical Australian football skills at an advanced level through participation in Australian football training sessions and competitions.

This unit applies to athletes in the Australian sport industry competing in Australian football at a regional, state or national level.

Those undertaking this unit work under the guidance of a coach.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.

Pre-requisite Unit

Nil

Competency Field

Australian football

Unit Sector

Sport

Elements and Performance Criteria

ELEMENTS

Elements describe the essential outcomes

1. Participate in advanced level Australian football activities.

PERFORMANCE CRITERIA

Performance criteria describe the performance needed to demonstrate achievement of the element.

- 1.1. Interpret and apply Australian football rules, regulations and policies to Australian football participation.
- 1.2. Participate in Australian football training activities and competitions in a safe manner, according to organisational policies and procedures.
- 1.3. Link and perform advanced level Australian football skills to form a sequence of movements in practice and

- competition conditions.
- 1.4. Communicate with team members and coach during activities using Australian football communication systems and terminology.
 2. Prepare to compete in Australian football at an advanced level.
 - 2.1. Consult with coach to identify advanced tactical and technical Australian football skills to be developed.
 - 2.2. Participate in training activities to develop identified advanced level tactical and technical Australian football skills.
 - 2.3. Analyse own and opposition strengths and weaknesses to develop game plans for Australian football competitions.
 3. Implement Australian football game plan at an advanced level.
 - 3.1. Implement game plans during competition.
 - 3.2. Interpret Australian football game statistics to identify and implement adjustments to improve advanced level performance during competition.
 - 3.3. Maintain communication with team members and coach before, during and after competitions.
 4. Review advanced level Australian football performance.
 - 4.1. Seek feedback from coach and support staff to identify areas to improve own advanced level Australian football performance.
 - 4.2. Analyse Australian football competition statistics to identify own strengths and weaknesses.
 - 4.3. Reflect on own advanced level Australian football performance to identify areas for improvement.
 - 4.4. Analyse findings and incorporate learnings in future advanced level Australian football training and competition.

Foundation Skills
