SISSS00140 Wilderness First Aid

Release: 1

SISSS00140 Wilderness First Aid

Modification History

Release 1. Supersedes and is not equivalent to SISSS00126 Wilderness First Aid Release 2. Units contained in skill set updated and not equivalent.

Description

A set of skills to equip outdoor recreation leaders to coordinate emergency response, and to provide first aid to casualties in a remote or isolated area over an extended period of time until medical assistance is provided or evacuation occurs.

Pathways Information

Achievement of these units provides credit towards other qualifications in the SIS Sport, Fitness and Recreation Training Package.

Licensing/Regulatory Information

No occupational licensing, certification or specific legislative requirements apply to this skill set at the time of publication.

Skill Set Requirements

Unit code	Unit title
HLTAID011	Provide first aid
SISOFLD004	Provide first aid in remote locations
SISXEMR004	Coordinate emergency responses

Target Group

Outdoor recreation leaders who guide or instruct activities in remote or isolated areas and who manage operational logistics for emergencies when they arise.

Suggested words for Statement of Attainment

These units of competency provide a set of skills to coordinate emergency response, and to provide first aid to casualties in a remote or isolated area over an extended period of time until medical assistance is provided or evacuation occurs.
