Assessment Requirements for SISSCO005 Continuously improve coaching skills and knowledge

Release: 1

Assessment Requirements for SISSSCO005 Continuously improve coaching skills and knowledge

Modification History

Not applicable.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and:

- practice community coaching in a specific sport over 10 hours that involves:
 - meeting professional standards
 - using coaching approaches to create an inclusive sport participation environment
 - using technology in coaching practice
 - evaluating own coaching practice and performance
 - identifying and acting on one area for improving own coaching practice.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- organisational policies and procedures applicable to coaching practice and professional standards
- sources of sport and sport-specific information
- sources of information on current and emerging technology used in the sport industry
- self reflection and evaluation processes
- coaching practices applicable to creating an inclusive sports participation environment
- professional development opportunities and resources.

Assessment Conditions

Skills must be demonstrated in:

- a community based sport environment. This can be a workplace or simulated environment.

Assessment must ensure access to:

- first aid kit
- drinking water
- a computer with access to the internet
- organisational policies and procedures and professional standards related to coaching

- template for recording professional development activities
- organisational safety, emergency response and first aid procedures
- sport organisation personnel and participants.

Assessors must satisfy the Standards for Registered Training Organisations requirements for assessors.
