SITEEVT006 Develop conference programs

Modification History

Not applicable.

Application

This unit describes the performance outcomes, skills and knowledge required to develop conference programs that include a significant business component. It requires the application of detailed knowledge of conference formats and options as well as a sound understanding of learning and development issues that impact on program design.

This unit is relevant to events that are diverse in nature and are coordinated in many industry contexts.

It applies to conference coordinators who operate independently, and are responsible for making a range of operational decisions. They may work in event management companies, in conference venues, or in organisations that produce their own conferences.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
