Foundation Skills

Foundation skills essential to performance in this unit, but not explicit in the performance criteria are listed here, along with a brief context statement.

SKILLS	DESCRIPTION
Reading skills to:	- locate information in food preparation lists and standard recipes to determine food preparation requirements - interpret manufacturer instructions for equipment - locate and read date codes and rotation labels on food products.
Writing skills to:	record notes on recipe requirements.

- Numeracy skills to:
- calculate the number of portions
 - determine cooking times and temperatures
 - measure familiar quantities of ingredients using simple measuring instruments.
- Problem-solving skills to:
- evaluate quality of ingredients and finished dishes and make adjustments to ensure a quality product
 - adjust taste, texture and appearance of food products according to identified deficiencies.
- Self-management skills to:
- manage own speed, timing and productivity.

Range of Conditions

Specifies different work environments and conditions that may affect performance. Essential operating conditions that may be present (depending on the work situation, needs of the candidate, accessibility of the item, and local industry and regional contexts) are included.

Range is restricted to essential operating conditions and any other variables essential to the work environment.

Food quality adjustments must involve consideration of factors relating to:

- taste
- temperature
- texture.

Adjusting presentation must involve consideration of:

- accompaniments and garnishes to maximise visual appeal:
 - balance
 - colour
 - contrast
- plating food for practicality of:

Assessment Conditions

Skills must be demonstrated in an operational commercial kitchen. This can be:

- an industry workplace
- a simulated industry environment, such as a training kitchen servicing customers.

Assessment must ensure access to:

- fixtures and large equipment:
 - commercial:
 - blenders and food mills
 - food processors
 - planetary mixers

- commercial grade work benches (1.5m/person)
- commercial refrigeration facilities:
 - freezer
 - fridge
- designated storage area for dry goods and perishables
- double sink
- gas electric or induction stove tops (two burners per person)
- microwave
- storage facilities
- small equipment:
 - containers for hot and cold food
 - cutting boards
 - food handler gloves
 - graters and peelers
 - grills and griddles
 - knives and Asian cleavers
 - measures:
 - metric calibrated measuring jugs
 - measuring spoons
