Release: 1

SITHASC027 Prepare Asian cooked dishes

Modification History

Not applicable.

Application

This unit describes the performance outcomes, skills and knowledge required to prepare and cook meat, poultry, seafood and vegetable dishes for national and regional Asian cuisines. It requires the ability to select and prepare ingredients, and to use relevant equipment and cookery methods.

The unit applies to hospitality and catering organisations that offer Asian cuisine and to cooks who usually work under the guidance of more senior chefs. The unit may be applied to one or more Asian cuisines.

The skills in this unit must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
