Assessment Requirements for SITHIND007

Use hospitality skills effectively

Release: 1

Assessment Requirements for SITHIND007 Use hospitality skills effectively

Modification History

Not applicable.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and:

- provide hospitality service to customers for a minimum of 12 complete service periods that individually or in combination involve:
 - interacting with and positively responding to diverse demands and requests of multiple customers throughout the service periods
 - working with speed and efficiency to deal with numerous service and operational tasks simultaneously
 - identifying issues and problems, referring to supervisor when appropriate, and participating in their resolution
 - working cooperatively as part of a service team, and taking limited responsibility for the service process, workflow and own work outcomes.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- basic organisational information:
 - availability of products, services and specials
 - details of expected business, customer requirements and scheduling
 - event or function running sheets
 - job role and tasks to be performed
 - local area and venue facilities
 - policies and procedures
 - staff rosters
 - verbal or written advice affecting job performance and service requirements
- information relevant to customers:
 - current promotions, events and entertainment
 - customer loyalty programs
 - food menu options and specials
 - gaming facilities
 - hotel facilities

- local area and venue facilities
- lost and found services
- membership benefits
- prices of products and services
- products including food, alcoholic and non-alcoholic beverages
- special events
- wine and cocktail drink list choices and specials
- common operational tasks:
 - communicating orders to the kitchen
 - ordering stock
 - preparing rooms for guests
 - processing financial transactions
 - providing porter services
 - selling and preparing drinks
 - selling gaming tickets
 - serving food and beverage
 - taking orders
- tools and equipment to carry out common operational tasks:
 - ordering equipment and technology
 - communication devices
 - point-of-sale equipment
 - software for booking, ticketing or check-in
 - manual handling equipment
- end of shift procedures:
 - cleaning work areas and equipment
 - debriefing session and quality service reviews
 - preparing for the next service period
 - restocking
 - safely storing products, equipment and materials
- roles and responsibilities of service team members
- organisational policies and procedures for:
 - administration and reporting relating to:
 - completing financial transactions
 - completing work plans and schedules
 - handover
 - hygiene, health, safety and security:
 - completing incident, work health and safety (WHS) and maintenance reports
 - customer service
 - complaint handling.

Assessment Conditions

Skills must be demonstrated in an operational hospitality environment. This can be:

- an industry workplace; or
- a simulated industry environment or activity set up for the purposes of assessment.

Assessment must ensure access to:

- organisational policies and procedures
- products and services to be delivered to customers
- industry realistic ratios of service staff to customers. These can be:
 - customers in an industry workplace who are assisted by the individual during the assessment process; or
 - individuals who participate in role plays or simulated activities, set up for the purpose of assessment, in a simulated industry environment operated within a training organisation
- colleagues with whom the individual can interact. This can be:
 - colleagues in an industry workplace who are assisted by the individual during the assessment process; or
 - individuals who participate in role plays or simulated activities, set up for the purpose of assessment, in a simulated industry environment operated within a training organisation.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors and have worked in industry for at least three years where they have applied the skills and knowledge of this unit of competency.
