Suggested words for Statement of Attainment

These units of competency from the SIT12 Tourism, Travel and Hospitality Training Package provide a set of skills for restaurant management and meet the requirements for the Restaurant and Catering Australia Certified Professional Restaurateur Program.

Disclaimer

Some responsible service of alcohol (RSA) legislative requirements and knowledge differ across borders. In some cases, after completion of the RSA unit in one state or territory, secondary state and territory liquor authorities require individuals to complete a bridging course to address these specific differences.

Those developing training to support this skill set must consult the relevant state or territory liquor licensing and food safety authority to determine any accreditation arrangements for courses, trainers and assessors.
