TLI11215 Certificate I in Warehousing Operations

Release 2

TLI1215 Certificate I in Warehousing Operations

Modification History

Release 2. This is the second release of this qualification in the TLI Transport and Logistics Training Package. The following units have been updated in the general elective units:

- TLIA0020 Package goods
- TLIA0022 Pick and process orders
- TLIA0021 Participate in stocktakes.

Release 1. This is the first release of this qualification in the TLI Transport and Logistics Training Package.

Qualification Description

This is a general qualification for the warehousing and storage industry.

The breadth, depth and complexity of knowledge and skills in this qualification would prepare a person to perform a defined range of activities, most of which may be routine and predictable.

No licensing legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

A total of **10 units of competency** comprising:

2 core units listed below, plus

8 general elective units from the general elective units list below.

Up to **3 of the general elective units** may be selected from any relevant nationally endorsed Training Package or accredited course. The general elective units must contribute to the vocational outcomes of the qualification.

Where imported units are selected, care must be taken to ensure that all prerequisite units specified in the unit are complied with.

Core units

TLIF1001	Follow work health and safety procedures
TLIL1001	Complete workplace orientation/induction procedures
