**TLI33015 Certificate III in Heritage
Locomotive Assistant or Steam Locomotive
Fireman**

Release 1

TLI33015 Certificate III in Heritage Locomotive Assistant or Steam Locomotive Fireman

Modification History

Release 1. This is the first release of this qualification in the TLI Transport and Logistics Training Package.

Qualification Description

This is a qualification for a person who carries out the duties of a locomotive assistant on a heritage locomotive or fireman on a steam locomotive.

This job involves the performance of a broad range of skilled applications applied in a wide variety of contexts, which may involve application of some discretion and judgement in selecting equipment, services or contingency measures. It may also include responsibility for coordinating the work of others.

Job roles

This qualification is aligned to the following defined roles:

- Group A: Heritage Locomotive Assistant
- Group B: Steam Locomotive Fireman.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

A total of **14 units of competency** comprising:

- **8 core units** listed below **plus**
- **2 specialist elective units** from within either Group A or Group B, listed below **plus**
- **4 general elective units** from the **general elective units** listed below. Up to **3 of the general elective units** may be selected from any relevant nationally endorsed Training Package. The general elective units must contribute to the vocational outcomes of the qualification.
- Where imported units are selected, care must be taken to ensure that all prerequisite units specified are complied with.
