- TAEDL411 Facilitate vocational training
- TAEDS412 Design and develop plans for vocational training.

Release 1. This is a new release of this qualification in the TLI Transport and Logistics Training Package.

Qualification Description

This qualification defines the skills and knowledge required for road transport trainers who will be training individuals or groups in cars, heavy vehicles or motorcycles. This qualification is not for the public to gain a driver's licence.

Job Roles:

Job roles and titles vary across different sectors. Possible job roles relevant to this qualification include:

- car driving trainer
- heavy vehicle driving trainer
- motorcycle rider trainer.

Please note: RTO to insert on the testamur, the relevant specialisation elective unit group selected from the group choice below.

This qualification may meet part of the state/territory licensing and regulatory requirements for certification as a Motor Vehicle Driver Trainer. Candidates will need to refer to the relevant state/territory licensing authority.

Entry Requirements

There are no entry requirements for this qualification.
