# **TLI41715 Certificate IV in Stevedoring Operations**

**Release 1**

# TLI41715 Certificate IV in Stevedoring Operations

## Modification History

Release 1. This is the first release of this qualification in the TLI Transport and Logistics Training Package.

## Qualification Description

This qualification is for a person engaged in operational roles within a stevedoring environment. It involves a broad range of skilled applications including evaluating and analysing current practices, developing new criteria and procedures for performing current practices, and providing some leadership and guidance to others.

Successful achievement of the licensing units within the qualification must align with applicable licensing and regulatory requirements.

### Job roles

Job roles and titles vary across different sectors. Possible job titles relevant to this qualification include:

- Stevedore Shift Foreperson
- Stevedore Charge Foreperson.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

## Entry Requirements

There are no entry requirements for this qualification.

## Packaging Rules

A total of **15 units of competency** comprising:

**9 core units** listed below plus

**6 general elective units** from the general elective units listed below. Up to **3 of the general elective units** may be selected from any relevant endorsed Training Package or accredited course. The general elective units must contribute to the vocational outcomes of the qualification.

Where imported units are selected, care must be taken to ensure that all prerequisite units specified are complied with.

### Core units
