TLIA0002 Prepare cargo for export

Release: 1

TLIA0002 Prepare cargo for export

Modification History

Release 1. This is the first release of this unit of competency in the TLI Transport and Logistics Training Package.

Application

This unit involves the skills and knowledge required to prepare cargo for export and includes confirming correct preparation of the consignment, organising cargo loading and processing documentation.

Work must be carried out in compliance with relevant international and domestic legislation, regulations and codes of practice for exporting cargo.

Work is performed under general supervision, with some accountability and responsibility for self and others in achieving prescribed outcomes.

Work involves the application of routine freight forwarding principles and procedures to prepare cargo for export.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

Not applicable.

Competency Field

A – Handling Cargo/Stock

Unit Sector

Not applicable.
